December 7, 2011

Dear Family and Friends of Skyline,

With the clock quickly running down on 2011, we look back over a year of enduring commitments and new beginnings. Skyline's mission continues to be one of service, hospitality and transformation. With new leadership joining the deep commitment of existing friends and family of Skyline, we are energized by the direction in which we are headed.

We're thankful that you have been a part of this, and hope that you will continue to be part of this place, part of the mission and energy of Skyline.

At Skyline we do all we can to truly welcome all, and turn no child or adult away. The costs of this commitment are daunting, but the results are dynamic and worthy. Our summer campers supported by your generosity include adults and teens with special needs, children in the foster care system, and many who have simply no financial capacity to cover the costs.

In addition to summer camp, we continue to host events for the community. This year we have strived to engage our local community more than ever, and shared several local events, most notably our Fall Color Day, which became part of Almont's Country Heritage Tour. (Skyline's scarecrow didn't win first place this year, however Jacinta & Genevieve Henry's scarecrow won a ribbon!)

We've also been blessed to garner new support from local foundations and some new and committed agencies who help us to find *and* fund campers. As grateful as we are for the valuable help of these and other foundations and organizations, *more than 70% of our contributions come from individuals*. Your support continues to be the lifeline that enables us to "welcome all," and carry out this important commitment which is our calling.

We humbly ask you to consider a generous gift to "this place" that so many love so well, as we continue to work diligently to maintain the highest standards for all whom we welcome. Thank you in advance for the tremendous difference you make in the lives of the hundreds of campers, and thousands of guests, who come to Skyline. We are truly grateful.

Blessings and thanks,
