Mission Statement: Skyline welcomes and serves all, especially those in need, by creating sanctuary for experiencing God's creation, spirit, & unconditional love in a way that nurtures and transforms lives.

Established in 1964, and owned/operated until 2005 by First Presbyterian Church, Birmingham, Skyline is now an independent 501(c)(3) non-profit organization.

Situated in southern Lapeer County near Almont, Michigan on 156 acres of rolling hills with hardwood forest and whispering pines, Skyline is the perfect venue for summer camp and for year-round retreats, off-site meetings and seminars.

Our Focus

The safety, welfare and well-being of all our campers.

Our Philosophy

Skyline's spirituality begins with wonder and gratitude for every blessing; no camper is expected to bring a particular belief background, and all will be welcomed as they are. With Skyline's roots in Christian values, we encourage in our campers a sense of compassion, a respect for creation, and an embrace of creativity. Values of fairness, kindness, beauty, diversity and generosity are modeled, expected and celebrated.

Our intention

- That every camper has fun.
- That every camper feels safe and supported to explore new activities and adventures.
- That every camper experiences unconditional love and acceptance, and that this grows beyond camp.
- That every camper experiences a positive sense of the natural world, a positive sense of community, and a positive sense of self.
